The letter will likely go out tomorrow. I got a call from BIA today, inquiring as to how they may be able to assist Pineview regarding their compliance problems. I told them that I'd send a copy of this most recent letter to them, and after their review we can schedule a conference call to discuss their possible involvement. Of course we'd make sure you're also on the call, counselor. Where would your life be w/out a lit'l dose of "Pineview" now and again.
